

## **OpenAthens Registration User Guide**

To register for an OpenAthens account, visit the online form.

Go to <a href="https://openathens.nice.org.uk/">https://openathens.nice.org.uk/</a>

- > You need to fill out all the fields
- You can use a personal email but registers immediately with your work email
- To enter the organisation, start typing Cambridge and it will display
- > Select if you are a permanent member of staff or temporary. For students, select temporary
- Make sure you check the terms and condition box

After you have filled out the online form, you will receive an email with a link to activate the account. Make sure you activate within a week, otherwise the account will be lost.

Once activated, it will ask you to set a password.

If you need to **reset your password**, you can use the <u>reset password web page</u>, which you can find on the internet.
